

Course Description:

Redstone 25k is a combination of the more popular and less traveled trails on and around Weeden and Madkin Mountains on RSA. Runners start out on a paved greenway near the Redstone RV park near the commissary and continue for about 0.7 miles on the Greenway before entering the trails. Runners summit Weeden Mountain (mile 5.2) and Madkin Mountain (mile 13.6) as they enjoy a variety of single track trails with the occasional gravel service road in between.

Distance: 16.3 miles or a bit over 25km.
