6. Golf Operations: Mr. Samuelson stated that the job announcement for the Golf Course Manager position has been posted.

7. Handicap Committee Report: Mr. Small stated that he had no report this month, but that the Committee will be marking the courses for the Women's Military Dependents Golf Tournament in September.

8. Volunteer Committee Report: Mr. Stirling reported that there were no special volunteer projects during the month.

9. Ladies Golf Report:

a. Ms. Stirling commented on the landscaping conditions at the front entrance of the golf club. Mr. Small read an email that he received from a fellow patron echoing this. After some discussion, it was agreed that volunteers would be organized to clean up the gardens, shrubs, etc. at the front entrance.

b. Ms. Stirling further asked that the markers at the tee boxes be repainted. Mr. Samuelson said he would ask Mr. Rick Cooper, a volunteer, if he would be interested in taking on the project.

10. Representatives/Individual Report/Open Discussion:

a. Ms. Sullivan reported that there are 43 women signed up for the Women's Military Dependents Golf Tournament.

b. Mr. DeJong asked about the water filtration cooler near hole number 13 on Patriot. Mr. Samuelson stated there were still some problems with the power supply to be worked out. Mr. Nunn stated that recently a golfer was observed removing one of the water coolers from the back of the stand at hole number 10 (Patriot), taking the lid off, putting his hands down in the cold water, and washing his cooling towel in the water. Mr. Nunn stated that such an action was obviously a health issue that jeopardizes the future presence of all water coolers on the course. Council members were in agreement that such an act was thoughtless, selfish, foolish and totally unacceptable. Anyone observed doing this should be immediately reported to Management, who may temporarily suspend privileges individual from playing golf at The Links at Redstone in the future.

Mr. Nunn said that he did not know of a formal plan, but that it would have to be prioritized with other maintenance requirements.

12. The next Golf Advisory Council Meeting will take place Thursday,  
14 September 2017, 1130, The Links at Redstone.
