

# Attention Hunters (Report below)

Here is what Redstone Outdoor Recreation was informed of on 12 September about Hunt-Trac

(HUNTRAC is still "supported" and as far as HQ IMCOM G9 knows, yes, the cloud version will support Huntrac.

Huntrac is not "down" entirely. It's available on the Army network. It is only being blocked by .com network

Huntrac being blocked has nothing to do with VSI support.

Huntrac is blocked from ARCYBER because HQ IMCOM failed to obtain an ATO. They are working to correct. This is a regular topic of discussion that ID-S will be bringing up to IMCOM G9 again this month.

Many Garrison's have stopped using HUNTRAC and have replaced with Isportsman via DPW. There is no directive to go to Isportsman)

Redstone Arsenal Outdoor Recreation has elevated this to our highest levels.

Respectfully,  
Tom Pyburn  
ODR Manager
