

15 January 2021 Hunter Information

- Area 34 is a Gun area. Redstone Test Center Emphasized, heavily, that hunters must stay west of the big ditch that runs through the area.
- Area 54E is open for Hunting. Enter from the parking lots by The Cliffs@Redstone. See map at bottom of this sheet
- If hunting area 54E please call us at Outdoor Recreation to sign-in/out. 256-876-HUNT (4868)
The web developer is adding it to Hunt-Trac log in system.
- Please ID your target before pulling the trigger. We have harvested 5 Spikes.
- We confirmed that there is activity on the Test Areas over Holiday weekend. Mission and construction
